We hereby state the following, the Sovereign International Treasury Monetary One, jointly with professional International Organizations, professional Intelligence Centers and Professional International Analytical Centers, conducting the Sacred Mission of Preservation, Development and Prosperity of Bright Humanity and Our Beloved Mother Nature, performing all necessary actions to overcome the World Financial Crisis and prevent the Third World Nuclear War in order to Preserve and Strengthen the World, have conducted a Global Investigation using professional research, verification and analysis to identify Global crime against God, Nature and Bright Humanity, Declares the following:

Подделка официальных документов Суверенного Международного Казначейства М1 является уголовно наказуемым преступлением / Any forgery of the official documents of the Sovereign International Treasury Monetary One shall be a crime punishable by law.

Until quite recently, it was completely clear to the entire Human Society on the Earth that fascism in any of its forms, especially in an aggressive and bloody form, such as neo-fascism, is absolutely criminal and inadmissible for manifestation and any existence on Our Earth. The Great Country Sovereign Union of Soviet Socialist Republics and its multinational, Great, Sovereign, Soviet People, jointly with the Allies of Socialism in the Struggle for the Liberation, Protection and Preservation of Bright Humanity on Earth, won a Great Victory with a global misanthropic neo-fascism in the face of fascist Germany.

Immediately after the Great People's Victory over anti-human fascism, an International, and in fact the World Tribunal, approved by the entire World Community, which had no limitation period, known to the whole world as the Nuremberg trial was hold.

As a result of the Nuremberg trial, fascism in any of its forms (especially neo-fascism) was banned in the World for Eternity, and in the case of any form of fascism and any assistance to its manifestation in the World, it will be punished by the Supreme Punishment.

As a result of the Global Investigation, it became clear that after the defeat in the Second World War, the unfinished enemies of Humanity, with the help of the criminal society of the Jesuits, using the Institute for Religions in the Vatican (Vatican Bank), in violation of the Legal Decision of the World Nuremberg trial, stole the financial assets which must be the subject to complete confiscation, and, by funneling stolen, criminal and bloody money, they moved it to the Legal Space of Argentina and Brazil. After waiting a bit, a particularly dangerous, criminal neo-fascist group represented by the criminal organizations of the Jesuits and the Illuminati created by them, jointly with the Vatican and the Vatican Bank, began to move the stolen dirty money around the World, especially to Europe. With dirty criminal money which was declared to be illegal for all eternity, neo-fascists in the guise of radical zionists, hastily and criminally started to buy factories, factories and other means of production and form well-known concerns today, such as: BMW, Mercedes-Benz, Volkswagen and others.

Neo-fascism again began to prepare a plan for the capture and further destruction of Bright Humanity, using a form of radical zionism.

We are currently witnessing a division of zionism into two categories:

The 1st category is orthodox zionism, which is represented by elderly jewish elders who advocate a generally agreed and peaceful development of a multinational society.

The 2nd category is radical zionism (dogmas of false anti-human dogmas), which by all means aims to Man-killing actions in order to destroy Humanity and Nature. It can be firmly and reliably said that time has shown us that this criminal category of beings in a humanoid appearance is unacceptable for existence in Human society and on Our Earth.

In the ancient scriptures of judaism, it is written that the jews do not have the right to have their own Land and their own Country until the second coming of the prophet Moses. In violation of the basic precepts of their own religion, the jews received the Great Gift from the Great Victor in the Second World War - the Great and multinational Russian, the Soviet People of the Country of the Sovereign of the Union of Soviet Socialist Republics, for the first time in the history of jewry for a long term to build their own jewish state, which should be in peace and harmony with neighbors and other Countries and Nations and should exist and develop by the path of Reason and Light into the Future. At the present time, we see what kind of "gratitude" the zionists made to the Slavs, the Russian and the entire Soviet People, organizing the capture of the Sovereign Country and arranging the genocide of their benefactors to this day.

Terrorist projects for the genocide of Sovereign Citizens of the Union of Soviet Socialist Republics, called the Harvard project and the Houston project, are created and conducted by the zionists. The criminal civil war on the territory of the Union of Soviet Socialist Republics is a terrorist project to destroy all Slavs, the multinational Russian and Soviet People.

Almost four years have already passed since the lease term for the Land provided to the jews by Palestine ended, and there was no love and harmony between the jews and the Palestinians who were long-suffering from such a "brotherly" neighborhood. The entire Arab Union has been subjected to criminal sacrifice by zionism all this time.

The fact of global terrorism and genocide in our World has also been absolutely verified and confirmed, that radical zionists immediately allocated a financial budget for all projects to destroy Light Humanity, consisting of criminal, stolen, bloody and fake fiat money, which are prohibited in the financial system. But in order to carry out these forbidden criminal transactions, the radical zionists use the deceitful hegemony of the above criminal organizations, with the well-known control center in Washington DC, London City, Wall Street, the Vatican Bank and others. The Sovereign International Treasury Monetary One considers that it is its duty to announce to the Muslims of the World about one of the most disgusting projects of radical zionism for the complete physical destruction of Muslims.

The criminal projects of these perverted psychopaths, united in radical zionism, on the basis of their destructive nature, will not be able to leave Light Humanity alone, regardless of adherence to different types of religious denominations, territorial locations, speech forms and skin colour.

Just a few weeks ago, the radical zionists planned to organize a third World nuclear war. The central beginning of this global insane act of terrorism was supposed to be the joint exercises of Israel and the United States in the Middle East. In this terrorist destructive project, it was planned to use all types of weapons of mass destruction, including nuclear, in order to destroy the Palestinians, Iranians and Afghans.

The not destroyed neo-fascists are a big mistake of Light Humanity. The River of Space and Time has shown the Light Humanity what the perverted scoundrels are capable of, who, with our connivance, have escaped their just retribution. The consequences and results of this mistake are global sacrifices, torments and sorrows of Light Humanity.

We also emphasize the shame that, being under the criminal and bloody terrorism from the side of radical zionism, which includes a significant part of the jews, the criminal organization of the jesuits, the criminal organization of the Illuminati, the Abeyton lodge, headed by David and Michael Rockefeller, the Committees of 300, the criminal Vatican for numerous facts controlled by the criminal organization of the jesuits, criminal neo-fascist organizations (corporations and concerns), contrary to reason and common sense, the Unification of All Countries of the World on the UN Platform has forgotten and

criminally keeps silent about its own decisions taken earlier to condemn and ban zionism as an anti-peace movement and doctrine.

Unfortunately, the criminals and enemies of the Human World have worked out the practice of substituting concepts and distorting the image of words in order to deceive and manipulate Human society. The Light Word «zionism» actually means Spirituality, as the Truth of the Earthly World, the Spirit means the Temple For God, All this is an image of Creation. But, as in many of their other criminal practices, the scribes and pharisees (perverts) perverted the sacred image of the Divine Word and, under its cover, organized an organization of terrorists, misanthropes and murderers.

Radical zionism has penetrated into all areas of management of organized being in almost all Countries of the World and into Global International Organizations. The american zionists, jointly with the former President of the Philippines Ferdinand Marcos, organized an international crime in the form of a global financial fraud, on the basis of which they founded the criminal hegemony of the United States in the form of Washington DC and international financial organizations registered there (more details are described in the Ordinance of the Sovereign International Treasury Monetary One № 022 of 30.11.2022). This criminal financial activity was created and managed with the direct participation of criminal organizations: London City, Vatican, jesuits, illuminati, committees of 300, criminal secret organizations, pseudo sovereigns, criminal khazaria, dark nobility and others. The number of these perverted psychopaths against the background of Light Humanity is ridiculous.

One of these perverted dogmas was Tierno Alassane Ba (Joseph) ex-general manager of the global security fund of the Federal Reserve System of the US Corporation, he is also the secret chief of the FRS, he is also the curator of Donald Trump (illuminati Romanov), he is also the thief of the profitable part of the sacred spiritual assets White Spiritual Boy (Treasures RA). Tierno Alassane Ba (Joseph) fraudulently (unlawfully) proclaimed Donald Trump (illuminati Romanov) as the head of the historic International Tripartite Agreement (false trust), thereby falsely elevating the status of Donald Trump in the secret circles of criminal domination in Our Holy Land, occupied by perverts and liars, Enemies of the People. The Sovereign International Treasury Monetary One by Order №

25 of 01.13.2023, canceled and banned all financial Trusts for Eternal Times, as a result of which Mr. Donald Trump can only earn any status by service, faith and truth before the People of America and the whole World.

The criminal plans of the radical zionist dogma Tierno Alassane Ba (Joseph) consisted of a nationwide deception, set out in various promotions with a beautiful wrapper, like NESARA and GESARA and the Quantum Financial System (QFS). Quantum is the light technology of our universe and it will never work under the control of criminals and perverts. According to the criminal plans of Tierno Alassane Ba (Joseph) (Donald Trump's curator), the terrorists planned to drive Bright Humanity into digital control, destroy the Divine Generic System of the Family, produce humanoid creatures with artificial technologies from test tubes, while the perverts hide behind the Sacred Name of the Bright Prophet Isa, Jesus.

Investigating the degrees and levels of perversions and crimes of humanoid beings that have penetrated and infiltrated the Light Human Society, sometimes you come to a state of horror, realizing that pain and suffering of Human, caused by these filthy beings.

In pursuance of the All-Heavenly Providence of God and the All-Heavenly Great Divine Providence, on the basis of the foregoing, the Sovereign International Treasury Monetary One, fulfilling the Sacred Mission and fulfilling the Sacred Duty to the Bright Humanity, as a single People of the World, by the Right of the Supreme Sovereign, by the Right of Ownership of all the World Assets, by the Right Chief Regulator of the World Financial System,
